MEDICHL DET 409TH REG.

HQTRS CO. 3RD BN, 409TH (OLIBORNE)

As a Medic in the 409th Med. Det. I WAS ASKED to TREAT a FLESH WOUND on a pretty girl about 20 yrs. of age. This was in Austria some place, (near the end of the War) The wound was on the upper inside left thigh. While I was applying a bandage she had her dress ^{up} and did I ever get the Cat calls from 3RD Btl. Troop passing by.

1/3 Aubrey (Bill) Bestman

The 103RD was formed at Camp Claiborne La. I was one of the troops that was drafted + sent there. There was a cadre of officers + NCO. there to perform Basic training. Up on ^{completion} B. T. ~~completion~~ we were moved to Camp Howze Tex until shipping out, for overseas. There were many of the cadre + other troops that did not go overseas.
